A+ School Money Committee is made up of SAC and staff

Meeting opened with discussions on how to allocate school recognition fund, assuming there will be a distribution in Nov/Dec for the next school year.

A suggestion was made to utilize \$5,000 to purchase Math resource materials needed. This amount is to be considered prior to any OCPS employee distribution.

This committee also determined that the remaining funds be equally distributed to the classified staff and teachers.

Attached please find a copy of the classified staff opinion on last years A+ Recognition vote.

Other concerns brought up for discussions included the option of a pre-tax or post-tax bonus. This is determined by the district. Money allocated to purchase resource materials is not pre-taxed; however the recognition funds are required to have FICA taken out of the funds. The BMES office has a copy of these requirements for review.

A survey will be sent out for everyone's vote on 5/14/08. If you have any additional comments or concerns prior to the vote, please attend the next committee meeting on Wednesday, 4/30/08 at 3:30pm in the media center.
